Who will reign in '57?

by Garnet Badtke

Four candidates will complete for the title of 1957 Homecoming Queen to reign over Homecoming festivities. As before, each of the four sororities is sponsoring a candidate.

Campaigning for Beverly Mann will be the Psi Delta Kappa sorority. Beverly is a sophomore from Breckenridge, majoring in home economics and minoring in physical education. She was secretary for FTA, YWCA and the Pep Club. She is also a member of WDA. She has been a cheerleader for the Dragons and a drummer in the band. Sue Albright is her campaign manager.

A senior from Moorhead is Solveig Ramstad, sponsored by the Gamma Nu sorority. Solveig is majoring in English and is working on a double minor of psychology and speech. She is past treasurer of her sorority, present secretary of the MSC student commission, a member of the band, Euterpe, Pep Club, and the Off-Campus Women's Association. Other activities include Kappa Delta Pi and Art Club. She was chosen as Campus Cover Girl of MSC and was a member of the Bookstore Board 1956-7. For this year she is recording secretary of the Minnesota State College Student Commission. Marvel Froemming and Nancy Johnson are her campaign managers.

Helen Torgerson, a junior from Hancock, is being sponsored by the Pi Mu Phi sorority. Helen is majoring in business education with a minor in physical education. She is secretary of the junior class and belongs to WAA and WDA. In the past she belonged to Euterpe. Her campaign managers are Cherry John-

son and Marlene Miller. Majoring in elementary education is Judith Traun. Judith is a sophomore from Moorhead. She is historian for the Beta Chi sorority, who is her sponsor, and also a member of Newman Club and the Off-Campus Women's Association. Kay Colwell is her campaign manager.

The sororities will begin campaigning for their candidate Sept. 26. The campaigning will run for six days high-lighted October 2 by voting and a 10 a.m. convocation. Students will be able to vote from 8 a.m. to 4 p.m. The day will be climaxed by a variety show sponsored by the Dragon Masquers.

Due to this special convocation, all campaigning has been extended to 6 p.m. October 1. At this time, all campaign materials must be down.

The queen's coronation will be in Weld Auditorium October 4 at 8 p.m. This will be followed by the traditional burying of the "M" and a reception for the new queen in Ingleside.

Cheerleaders chosen, hold rally next Friday

Cheerleaders for the 1957-58 season were chosen last Friday. The Student Commission and a group from the Pep Club chose five girls out of the 15 who attended the tryouts.

The five cheerleaders are: Bette Reyes, a senior from Sabin beginning her third year as an MSC cheerleader; Yvonne Kohler, a junior from Detroit Lakes starting her third year as a cheerleader; Two sophomores, Lola Kruger, Alexandria, in her second year of cheering, and Lona Sutherland, Moorhead beginning her first year as an MSC cheerleader. Lona was a Moorhead high school cheerleader for two years. Lucy Twildahl, freshman from Moorhead will help lead the yells for her first year.

Red culottes will be worn for football season with white sweaters and the red "M."

The first pep fest will be Sept. 27 with the place and time to be announced later.

Glasrud is C member

Dr. Clarence Glasrud, chairman of the language and literature department has been inducted into the C Club by a vote of the members of that organization.

The C Club is an informal organization of MSC faculty men engaged in the teaching of the liberal arts.

The parade will be Saturday, the 5th, followed by group luncheons at 12, and the game against the Winona Warriors at 2:00.

"Indian Summer" is the theme for the Homecoming Dance. Les Anderson will play for the dance beginning at 9 p.m. and continuing until 12.

Something new has been planned for Sunday, the last day of Homecoming week. There will be an all campus picnic, which will be a party, get-together, clean up and fun day all students. The off-campus students will be particularly invited to attend.

Audio-visual aids is new college service

Among new services on the Moorhead State College campus this year is the college's audio-visual aids center.

Audi-visual aid — that means using motion pictures, radio, TV, field trips, exhibits, pictures, and anything else that can be seen or heard to make teaching more effective. This modern method of education helps to make a student's learning more real.

Dr. Brown and records and other materials to

Under the direction of Dr. Walter Brown, who has done graduate study and advanced work in this field, the new MSC audio-visual center supplies not only college faculty with films

illustrate lectures. It also offers instruction for students training to be teachers.

Students can learn how to use equipment, such as film projectors, tape recorders, and the like. They also find out how to gather and prepare materials. Both college teachers and student teachers can consult with Dr. Brown on how to work audio-visual aids into their lessons.

Serving as a center for all the necessary equipment and for the ordering of films and records, Dr. Brown's office also schedules classrooms for film showings and arranges previews of films before class use. This centralization, Dr. Brown points out, will help the college to make the most effective use of audio-visual methods.

I have voted tags to show you have

I HAVE VOTED — I Have Voted — I have voted. Will YOU have voted?

Within the next 11 days, small rectangular signs stamped with the words I HAVE VOTED will appear on campus.

These signs will be everywhere and on everyone. Anyone without one will appear strange and nearly undressed. The few not having the honor of acquiring a tag will stand out like Long Sams.

Why all the fuss, and why the I HAVE VOTED signs? The answer is simple and very clear: everyone will want to vote for the MSC Homecoming Queen, everyone will also want to wear a little I HAVE VOTED tag. Everyone, then, can satisfy both desires by voting for his favorite queen candidate, and receiving a tag as a result of this.

Now, with your favorite candidate and the acquisition of a I HAVE VOTED tag at stake, will YOU have voted October 2?

Tonn heads center for handicapped children

This year MSC will offer a special training program for palsied spastic and otherwise handicapped children. In addition it will prepare teachers to instruct the handicapped.

Martin Tonn, a well-known speech therapist, will direct the program. Mr. Tonn has done graduate work at the University of Iowa. A reading expert, a speech therapist, a psychologist, and a physical therapist will also be on the staff.

Different types of handicapped children will take part in the program. In this way student teachers will have opportunities for varying experiences. Factors such as student enrollment, facilities, and available funds will

determine the number of children who can enroll. The 1957 Legislature has appropriated \$15,000 a year for two years to be used in aiding the handicapped children.

Clay County has about 50 handicapped children. Many of these are retarded only because they entered school later and spent fewer hours in the classroom than other children.

Dr. A. L. Knoblauch said, "We want to supply these children with normal living conditions and above all we must learn to live with them. The ultimate success and size of the program will depend on the interest shown by students who are studying to be teachers at this and similar institutions."

Dr. Foreman believes student interest will run high. "This program should offer a tremendous challenge to many people," he stated.

Cobbers announce theatre schedule

Concordia Theater has announced its schedule of production for the coming year. Donald C. Spencer, director, and A. Scott Beach, have chosen a list of five plays to be presented throughout the school year on the Concordia campus. First on the schedule, as a pre-season extra, comes a repeat of Oscar Wilde's "The Importance of Being Earnest" on September 20 and 21. This play was part of the recently concluded Summer Theater session at Concordia.

The regular series of Concordia Theater plays will begin on Wed., Oct. 23, when Henrik Ibsen's "Hedda Gabler" will be presented. The second production of the series, "The Enchanted" by Jean Giraudoux, will run from Dec. 4th to 7th, followed by Shaw's "Androcles And The Lion," Feb. 19th to the 22nd. From March 26th to 29th, Concordia Theater will present Shakespeare's "Macbeth," and will end the season with Arthur Miller's "All My Sons," May 14th to May 17th.

Curtain time for all Concordia Theater productions will be 8 p.m. in the Old Main Theater.

Teachers like what apples stand for

I am a teacher. Like many teachers I have memories that are gratifying, and sometimes humorous, of being given apples (or appreciative words) by students. Who does not feel good for being appreciated?

Now I have the rare honor of being president of the National Education Association during its Centennial year. I must try to represent thousands of teachers. Somehow, when I think of one of my students bringing me an apple — though I may have laughed wryly to myself, wondering whether he's just "apple polishing" or not — I get a wistful feeling.

I get a wish that during 1957 I could see what my students have done for me somehow being done figuratively by everybody for all teachers. I wish I could see Americans everywhere doing something — not sentimental or dramatic, perhaps, but in as good spirit as the gift of a student's apple — that would reassure us teachers that people think America's schools are important and that we can depend upon them to back us in the job of serving them for another century.

Armstrong at NDAC

Louis "Satchmo" Armstrong, world famous jazz musician, will perform at the NDAC Fieldhouse, Friday, Sept. 20, as a special attraction of the Little Country Theatre. His "All Star" show includes five other famed jazz musicians along with vocalist Velma Middleton.

The fame of this jazz artist, comedian, and showman has been growing steadily since 1927 when he first organized his own band in Chicago. "Satchmo" has been seen and heard in many pictures. He has played for radio and TV audiences and has made literally hundreds of records.

He has toured most of the world. In Europe he played successfully in Denmark, Sweden, Norway, Holland, Belgium, France, Germany, Switzerland, and Italy. His greatest triumph, however, was in England where he suddenly became the toast of British royalty that included Princess Margaret and the Duke of Kent.

Tickets for the Louis Armstrong All Star Show can be obtained at either Daveau's in Fargo and Moorhead or at the Little Country Theatre. Here on the MSC campus, tickets may be obtained at the Bookstore.

KDP has meeting

Student membership entitles you to receive the MEA Journal as well as the MEA Newsletter.

If you are a teacher on substitute status, you may join the organization for \$5. These two types of memberships are non-voting memberships, but they will acquaint you with the functions and the publications of the organization you may soon be participating in as a full member.

Knoblauch to East

Dr. A. L. Knoblauch, Moorhead State College president, left for New York yesterday, Sept. 18, to attend a meeting of a committee concerned with an exchange program between American and foreign institutions of higher learning.

The International Relations Committee of The American Association of Colleges for Teacher Education, of which Dr. Knoblauch is a member, will meet Sept. 21 and 22 in New Paltz, N. Y., to discuss proposals made by state colleges to effect the exchange program. Funds for the study of these proposals have been made available by the U. S. government. The program is to include exchange of teachers and cooperation in research and in library work.

While in the East, Dr. Knoblauch will interview candidates for teaching posts at the college.

Radio station to begin Monday evening at 7

Next Monday evening your campus radio station goes back on the air for you to sit back, relax, and do some easy listening. This year KMSC is transcribing only long play records in the easy listening category, for your enjoyment while studying and relaxing. Broadcasting will begin at seven Monday evening, September 23.

Black Watch to appear

People of the Fargo-Moorhead area will get a glimpse of British pageantry when the Regimental Band, Massed Pipers, and Highland Dancers of Her Majesty's Black Watch appear at Concordia Memorial Auditorium on Oct. 29.

The company of more than 100 follow in the footsteps of Her Majesty's Scots Guards which this past year displayed to some fifty US and Canadian cities a spectacle of pageantry, marching ceremonies and dances. The show sold out New York's huge Madison Square Garden four times and drew rave reviews from critics wherever it appeared.

The schedule for listening this year will be 7 to 1, Monday through Friday, and Sunday evenings. The station has a new console this fall and plans to boost power soon.

Tentative plans are being made for an inter-college network with NDSC and Concordia. Also arrangements for broadcasting through KVOX two hours a night for two nights a week. Big things are happening with your campus radio station. Be sure to listen. And if you are interested in radio work contact the station's general manager Bob Knutson.

Aberdeen nips Dragons 24-12; Huskies meet MSC in opener

By Dick Seal

ABERDEEN, S.D.—Northern Teacher's Wolves combined a hard running attack with some key passes to successfully open their 1957 football season with a 24-12 victory over the visiting Moorhead State Dragons Saturday night at Simmons Field in Aberdeen. A crowd estimated at 2,600 fans sat through near perfect football weather to view the second annual Shrine Benefit game.

Misfortune struck the Dragons several times as they made a strong bid for the first victory in three contests against the Wolfpack. After battling to a scoreless first quarter, the Dragons fell behind 12-0 and trailed in the fourth quarter 18-0 before Quarterback Bill Jacobson of the Dragons went over from the 2-yd. line. Gene Goedel's place kick was not successful.

Northern scored on a 42-yard romp by Bill Vogt with 8:50 left in the first half and later in the same half Chuck Kretchman went six yards to pay dirt. Bert Leidholt ran the Wolves' lead to 18-0 when he went over from the 4-yd. line early on the final period.

Jacobson's touchdown highlighted a 71-yard drive which saw halfbacks Jack Nemzek and Tom Weir eating up most of the yardage. Northern Teachers scored again when Kretchman went over from the 8-yard line for a 24-6 advantage.

Late in the final quarter, the Dragons took to the air and fullback Bill Beck hit Jerry Gotta with a 31-yd. pass scoring play. Gotta's try for the extra point was no good.

While a two touchdown deficit separated the two teams, Moorhead State showed several good signs. Reserves Gotta and Weir were especially good while veterans Al Holmes and Beck played their usual good ball.

Beck, whom the Wolves kept bottled up, churned out 60 yards in seven carries for an 8.6 mark. The only trouble was, the quarterbacks were unable to give the ball to the hard churning fullback on many occasions due to the hard charging of

Pep club to meet

There will be a meeting of the Pep Club Monday at 12:30 in room 250. Plans for the homecoming pep fest and other activities throughout the year will be discussed.

Anyone interested in joining this organization is invited to attend the meeting.

1. All students entering 1st spring or summer terms who have not taken the tests.
2. All freshmen who did not take the tests.
3. All entering transfer students who have not taken the tests heer.

The date will be September 25 at 10 a.m. CST. The tests last two hours and include vocabulary and reading tests. The place will be room 105-106.

Students concerned should see Dean John Jenkins for confirmation and details.

Harlan Krein who nailed the Dragon quarterbacks in their tracks several times.

Injury-wise, the Dragons didn't fare too bad. Tackle Ken Wiebolt was removed after the first half when he got a finger in his eye. Dale Skalisky broke his nose and Don Falldorf received a minor shoulder separation. All are expected to be ready for the Sept. 28 home opener against St. Cloud State.

DRAGON FIRE: Bill Beck's 26-yd. run early in the third quarter was Moorhead's longest running play — Jerry Gotta's touchdown coming on a pass from Bill Beck was the lone pass completion for the Dragons. The entire 33-man traveling squad saw action — While Moorhead's punting was far below par, Dan Tehle booted once for 43 yards — Excellent on kick-offs was Gene Goedel who averaged 52.5 yards on two boots — Moorhead State returned none of four Northern punts — Freshmen getting their collegiate football baptism were Wayne Hasz, Bob Collins, Bill Jacobson,

"Corky" Borstad, Doug Johnson, Harsey Scott, Aaron Longtime, Dean Wiemer, Dale Miller, Don Falldorf, Curt Hanson, Gene Jacobson and Lee Barcenas.

Dragon tails

by Wes Van Tassel

The football season is under way. Although the opening game didn't pan out to well for the Dragons, a good season could be on hand. Coach Frederickson started a number of sophomores, and given a little time, the men are due to improve. The Dragons have a blank schedule for this weekend but will return to action next Saturday, September 28, in the opening home and conference game against St. Cloud.

Wesley Van Tassel

The Huskies, picked to take the championship in the Minnesota State College Conference were handed a decisive beating by St. John's College last Saturday. The game ended something like 33-0.

Across the graveyard the Cobbers are shaping up to what could be one of their best teams in years. After the 47-0 slaughter against ND AC last Saturday the could be on their way to another successful season. The Cobbers and the Dragons will meet in the final game of the season this year, on November 9.

Next Monday, September 23, the MS freshman team will engage the Bemidji frosh on the Dragon Field.

By all reports, Minnesota is going to be ready for Washington in their opener September 28. Bobby Cox, after being sidelined with an injury, is having a hard time regaining his position from Don Larsen.

Coach Murray Warmaths' reports to the papers indicate that the Gophers will field more size than speed, and adds that good depth will prove very beneficial to the seasons results.

The MS faculty was honored last week by a visit from a past student and athlete of Moorhead State, Lt. Col. Julius Burkness. Col. Burkness quarterbacked the 1934 Dragon team

that defeated one of the best teams NDAC ever fielded.

In high schools around the area the schedule for tonight goes something like this: Willmar at Alexandria, Appleton at Benso, Barnsville at Hawley, Breckenridge at Detroit Lakes, Crookston hosts Twin Valley, Elbow Lake at Starbuck, Moorhead at Fergus Falls, Foston at Fertile, Halstad at Waubesa, MSC High at Audubon, Pelican Rapids at Frazee, and Staples at Wadena.
